HUMAN RESOURCES SUPPORT SOLUTIONS TO WIDESPACE FRANCE

Jean-Philippe Caste, *Commercial Director*

“After three years of successful collaboration with Scandi Bureau, we never had any bad surprises. They are always proactive and deliver a high quality service.”

Story

Widespace is a Swedish privately owned entrepreneurial company based in Stockholm. With 220 employees in ten countries, the company is today one of the leader in mobile advertising and continue to expand its expertise all over the world.

Goal

Related to the opening and the coordination of the new French office, Widespace was looking after a bilingual customized payroll solution with a knowledge of French legislation.

Solution

In addition to payroll processing and reporting, Scandi Bureau’s dedicated payroll team work hard to accommodate the specific needs of Widespace by providing an accurate and flexible payroll solution in France. The bilingual support in French and Swedish facilitate the information exchange between the French employees end the head office in Sweden.

Results

- **Time and Cost savings** - Widespace representatives in France are now able to focus on more strategic aspects of their core businesses while Scandi Bureau team properly handle the payroll process. This also enable Widespace to reduce employee cost by avoiding to recruit an employee in-house to handle the HR related tasks.
